About SICET

Society of International Chinese in Educational Technology (SICET) is a nonpolitical, non-profit academic organization. The organization's goal is to aggregate international Chinese scholars and experts in the field of educational technology to encourage academic cooperation and support among members.

Our Mission

The mission of the **SICET** is to establish and strengthen academic and international connections, exchanges, research, and studies in educational technology for teaching and learning, as well as to promote the application of educational technology to Chinese educational settings. The SICET will observe

the laws and regulations to its operation in the United States where it is registered.

Benefits

- ◆ Subscription to International Journal of Technology in Teaching and Learning (IJTTL)
- ◆ Subscription to Journal of Educational Technology Development and Exchange (JETDE)
