Sponsored Publications

- ◆ **International Journal of Technology in Teaching and Learning (IJTTL)** is a refereed international Semi-annually online journal sponsored by SICET. **IJTTL** is inviting manuscripts under the main scope of integrating technology into teaching and learning on all related topics.
- ◆ **Journal of Educational Technology Development and Exchange (JETDE)** is a refereed international journal published one issue annually in print and online by SICET. **JETDE** provides a multidisciplinary forum and focal points for SICET members to exchange practice and research between disciplines, educational levels, and educational technologies.

Come and Join Us if You ...

- ◆ Are an educational technology professional;
- ◆ Are interested in networking with international scholars and professionals of educational technology;
- ◆ Are interested in finding educational technology resources in China, Hong Kong, Taiwan, and US.

Society of International Chinese in Educational Technology

国际华人教育技术协会

About SICET

Society of International Chinese in Educational Technology (SICET) is a nonpolitical, non-profit academic organization. The organization's goal is to aggregate international Chinese scholars and experts in the field of educational technology to encourage academic cooperation and support among members.

Our Mission

The mission of the **SICET** is to establish and strengthen academic and international connections, exchanges, research, and studies in educational technology for teaching and learning, as well as to promote the application of educational technology to Chinese educational settings. The SICET will observe

the laws and regulations to its operation in the United States where it is registered.
