The 5th Annual Summer Fellowship 2008: Call for Participation

--- *To present your research in China*

--- *To update your knowledge of educational technology in China*

--- *To discuss your research with Chinese professors and graduate students in China*

--- *To make friends in the fields of educational technology in China.*

---To have an Exciting Summer 2008 in China!!

General Information

Participants are sought for the 5th Annual Summer Fellowship Program (ASFP) 2008 in China organized by the Society of International Chinese in Educational Technology (SICET). The 5th ASFP 2008 includes three academic events at different times and places. You are invited to participate in any one or all of the three events.

- **The 5th ASFP 2008 Event One**

- Tentative Dates: May 18 ~ 20, 2008.
- Host Institute: [Guangxi Institute of Education](#)
- Location: [Nanning, Guangxi, P.R. China.](#)

- **The 5th ASFP 2008 Event Two**

- Tentative Dates: May 22 ~ 24, 2008.
- Host Institute: [the College of Computer Sciences](#) of [Sichuan Normal University](#)
- Location: [Chengdu, Sichuan, P. R. China.](#)

- **The 5th ASFP 2008 Event Three**

- Tentative Dates: May 29 ~31, 2008.
- Host Institute: [School of Foreign Languages, Yantai University](#)
- Location: [Yantai, Shandong, P. R. China](#)

The purpose of Summer Fellowship Program of SICET is to promote academic exchanges and to facilitate research collaborations among its members and colleagues in different regions and countries. The 5th ASFP 2008 Events are in formats of conference presentations and lectures at the host institutes in China. The audience will be college and university professors and graduate students. SICET will work with host institutes to review the proposals using following criteria:

1. Proposal relevance to the given topics (1-10 points)
2. Proposal interests to the target audience (1-10 points)
3. Proposal organization (1-10 points)
4. Proposal clarity (1-10 points)

The 5th ASFP 2008 Events and Topics

The 5th ASFP 2008 Event One

(Guangxi Institute of Education in Nanning, Guangxi, China)

The theme for the 5th ASFP 2008 Event One at Guangxi Institute of Education is “*Educational Technology Research and Development Trends*” with the following sub-topics.

Topic Number	Topics
1.1	Research on trends and issues of educational technology programs in American universities (major universities, university program course structures, research focus, and prominent professors and their contributions to the field, and etc.)
1.2	Research on new technologies and new pedagogical possibilities (esp. educational gaming, virtual technology, human performance technology, and etc.)
1.3	Research on technology integration in science, math., physics, chemistry, and language education
1.4	Research on design and development of learning environments (esp. online/virtual learning environments, learning and instruction courseware/platform, and etc.)
1.5	Research on collaboration, community learning, teaming, peer interactions in distance education and its development trends

The 5th ASFP 2008 Event One offers great opportunities to share your research with some 70 professors and educators in educational technology and in other education fields from Nanning, Guangxi area.

The 5th ASFP 2008 Event Two

(Sichuan Normal University in Chengdu, Sichuan, China)

The theme for the 5th ASFP 2008 Event One at Sichuan Normal University is the same as the Event One, “*Educational Technology Research and Development Trends*” with the same sub-topics.

Topic Number	Topics
2.1	Research on trends and issues of educational technology programs in American universities (major universities, university program course structures, research focus, and prominent professors and their contributions to the field, and etc.)
2.2	Research on new technologies and new pedagogical possibilities (esp. educational gaming, virtual technology, human performance technology, and etc.)
2.3	Research on technology integration in science, math., physics, chemistry, and language education
2.4	Research on design and development of learning environments (esp. online/virtual learning environments, learning and instruction courseware/platform, and etc.)
2.5	Research on collaboration, community learning, teaming, peer interaction in distance education and its development trends

The 5th ASFP 2008 Event Two offers great opportunities to share your research with some 50 professors and over 100 graduate students in educational technology and in other education-related fields from Chengdu area.

The 5th ASFP 2008 Event Three

(Yantai University in Yantai, Shandong, China)

The theme for the 5th ASFP Two 2008 at Yantai University is “*Educational Technology for Language Teaching & Learning*” with the following sub-topics.

Topic Number	Topics
3.1	Virtual learning environments for foreign language teaching and learning
3.2	Educational technology resources for foreign language teaching and learning
3.3	Educational technology training for foreign language teachers
3.4	Using educational technology to assess and evaluate foreign language teaching and learning
3.5	New technological tools and new pedagogical possibilities in foreign language teaching and learning
3.6	Evaluation of technologies, systems, and courseware for foreign language teaching and learning
3.7	Research (quantitative and qualitative) on technology-enhanced/web-enhanced language teaching and learning
3.8	Computer-assisted language testing and grading
3.9	Web-based curriculum and syllabus design for language teaching and learning
3.10	Online language teaching and learning management

The 5th ASFP 2008 Event Three offers great opportunities to share your research with some 100 foreign language teachers and technology specialists from colleges and universities in Shandong and Jingsu provinces.

How to apply?

You are invited to submit multiple presentations to one, or all the events. Submission must be in WORD format and include

1. The 5th ASFP 2008 submission form (see in the attachment)
2. Proposals abstract (150 words in both English and Chinese)
3. Proposal paper (within 1000 words, do not include your name in the proposals.)

Email above three documents in the attachment with the email subject “ASFP 2008” to xwang10@gsu.edu. Thank you very much!!!
