Call for Participation

--- To present and discuss your research in China.

--- To update your knowledge of educational technology in China.

--- To make friends and enjoy wonderful times in China.

General Information

The 8th Annual Summer Fellowship Program plans to hold two events in 2011: one in Luoyang, Henan, China at Foreign Languages Department of Luoyang University of Science and Engineering (洛阳理工大学外语系), (May 18 -19, 2011) and Educational Bureau of Luoning County (洛宁县教育局中小学) (May 20 -21, 2011); one in Hangzhou, Zhejiang, China at Foreign Languages College of Hangzhou University of Electronic Science and Technology (浙江电子科技大学外国语学院) (May 25 – 26, 2011) (Dates are tentative).

The theme for the two Events: **Educational Technology for Learning and Instructions.** Under this theme, following topic areas are suggested for presentation proposals.

Suggested Topic Areas for the Events:

1. Development Trends and Issues of Educational Technology in Foreign Language Instructions in USA;
2. Second life programs in foreign language learning;
3. Educational technology in professional development and teacher education/training;
4. New technologies and new pedagogical possibilities (esp. mobile learning, game-based learning & creative learning with technology, virtual technology, human performance technology, and etc.);

5. Issues and trends in distance education.

How to Apply

Submit your presentation proposals as an attachment to “lwcdy@126.com” with the email subject either “Luoyang” or “Hangzhou”, or both “Luoyang & Hangzhou” if you submit your presentations to both events. You are strongly recommended to submit multiple presentations for both Events and single presentation proposal can be submitted to both Events. Please also include a copy of your updated resume with your submission. Each proposal should be saved as an individual WORD file that includes the following:

1. A presentation title
2. An abstract of 100 ~150 words with three key words/phrases
3. A body of proposal between 600 to 1000 words.

SICET will form a committee to work with Luoyang University of Science and Engineering, Educational Bureau of Luoning County, and Hangzhou University of Electronic Science and Technology to review the proposals using following criteria:

1. Relevance to the Event theme (1-10 points)
2. Content quality (1-20 Points)
 - a. Proposal organization (1-10 points)
 - b. Proposal clarity (1-10 points)
