

# **International Journal of Technology in Teaching and Learning (IJTTL)**

## **Call for Papers**

The International Journal of Technology in Teaching and Learning (IJTTL) is a referred international Semi-annually online journal sponsored by the Society of International Chinese in Educational Technology (SICET). It publishes original materials concerned with the theoretical underpinnings, successful application, and potential for advancing technology integration in a global range at all education levels.

The primary mission of the IJTTL is to explore multiple perspectives of technology integration and promote research, positions, and practices that advance the application of technology for teaching, learning and training. The inauguration issue will be published in June, 2005.

IJTTL is issuing a call for paper and inviting manuscripts under the main scope of **integrating technology into teaching and learning** on all related topics.

## **SUGGESTED TOPICS**

- pedagogy of teaching with technology,
- technology as a teaching strategy,
- technology as a learning style,
- impact of technology
- technology and instructional design
- design of technology integration
- development of technology-based curriculum
- distance education
- exploration of the uses of technology tools (Internet, multimedia/hypermedia, digital imaging, video cases...)
- new technology tools and innovations
- faculty development
- assessment and evaluation
- international and multicultural
- **any related topics**

## **TYPE OF PAPERS**

### **Research paper**

Quantitative research

Qualitative research

### **Practice-based paper**

Technology integration experiences (Theoretical background is required)

### **Position paper**

New ideas, concepts (literature/theory support is required)

## **SUBMISSION TIMELINE**

Manuscripts are accepted all the time, and reviewed upon receipt. The final editing work for the Jun-issue starts in March, and for the December-issue starts in September of the year.

## **SUBMISSION GUIDELINES**

- Manuscripts must be original work that has not been published in any types of publications.
- Manuscripts must be written in English.
- Manuscripts should be prepared according to the Publication Manual of the American Psychological Association (Fifth Edition), and should include an **abstract** and **5-10 key words**.
- Length of the manuscripts should be 20 to 30 pages of double-spaced text (size of **12**, font of **Times New Roman**, four margins of **1**') including references, unless the authors obtain advance approval for a long paper.
- Tables and graphs should be held to a minimum, and if accepted, authors must supply final drafts in camera-ready format.
- Multimedia applications (if any) should be converted into run-version.
- Any information about the authors (e.g., names, university) should not appear in the paper. Save the body of the paper including abstract as a separate file.
- A separate file of cover page is required including author's name, academic title, working address, e-mail address, and telephone number.

## **SUBMISSION:**

Email the files of your manuscript (MS Word files preferred) as attachments to the editor:

**Leping Liu**, [liu@unr.edu](mailto:liu@unr.edu)

University of Nevada, Reno

## **REVIEW PROCEDURE**

Manuscripts will be reviewed by three reviewers. The decision of publication will be based on the review comments.
